Simple description with some photographs.

Welcome Song (to the tune of The Little Sandman)

=====

We'll fly in search of a paradise
A haven safe and free
Sandman, put dust in my eyes
To healthy days we'll flee

Joined with boundless thoughts and dreams
Friends, let us be merry
Good food to make - crafts create
Let's dance and sing with glee

Sleep on, sleep on,
sleep on, my Little Friend
Dream on, dream on,
With love, we'll heal the world.

The Closing song (to the tune of Daisy Daisy / Bicycle Built for Two)

=====

Wake up, wake up - a beautiful world of cheer
The sun shines brightly - hoping good times are here

Let's run to our family dear
To friends of fur and feather
To trees and plants
we'll Lend them a Hand
Be busy with many good turns

Let's be thankful - to those who protects us from fear
Take care, be safe - good wishes for health and cheer
